

ADMISSION POLICY & PROCEDURE

Admission to New Los Angeles Charter School (New LA) is open to any resident of the state of California. New LA does not charge students tuition and does not discriminate against any student on the basis of ethnicity, national origin, gender or disability. If the number of students applying for admission exceeds openings available, enrollment will be determined by a public random drawing. Preference will be extended to students who reside in the Los Angeles Unified School District. Applicants must be entering 6th Grade in September 2008.

In order to enroll, fill out this application and return it to:
New Los Angeles Charter School
1900 Avenue of the Stars, Suite 2800
Los Angeles, CA 90067

April 7, 2008 - Application Deadline

Applications must be postmarked no later than April 7, 2008 in order to be included in the lottery. Late applications are put at the bottom of the wait list. Families are encouraged to contact the New LA office to confirm receipt of their application before the deadline.

April 11, 2008 - Admission Lottery

If the number of students applying for admission exceeds openings available, enrollment will be determined by a public random drawing. All assigned numbers of students interested in enrolling in New LA will be placed in a container from which a designated person will pull the assigned lottery order number based on the order in which they were pulled. Preference will be extended to students who reside in the district, children of board members, founders, teachers, and staff.

April 18, 2008 - Admissions Letters Mailed

Admission letters will be mailed to families selected in the lottery. Wait list letters will also be distributed at this time.

May 2, 2008 - Enrollment Deadline

If the enrollment forms are not returned by the deadline, admission for that student is forfeited and an admission notice is mailed to the next student on the waiting list. Attendance at an enrollment orientation at a later date will be required.

May - September, 2008 - Students Admitted from the Wait List

Students on the waitlist are notified by mail and phone if a space becomes available.
